Note 2: If the Wasiyyat form is being used in other than English language (e.g. Urdu, Arabic, French, etc.) then the particulars of whole form should be filled in English on a separate English form. That English form should also be sent to Markaz along with the original Urdu/Arabic/French Wasiyyat form. Kindly note that if the original form is duly attested then there is no need to attest the English form.

But preferably try to use English Wasiyyat form, whereas for better understanding and explanation Urdu/French/Arabic forms can be given to the applicants.
